### Description

Steering and sailing rules - Colregs - for all sailing and power-driven vessels.

This App is aimed at both students at maritime training schools beginning to train in navigation, as well as experienced seafarers who wish to further their own skills in this mandatory regulations. In all flashcards, professional mariners will find references to international IMO regulations (Colregs 72, IALA, STCW).

With 101 flashcards, this app allows learning, reviewing effectively and in a progressive way all the steering and sailing Rules to prevent the risks of collision.

There are 5 main sections to this app:

1. Buoyage
2. Visual signals
3. Lights and shapes
4. Sound and light signals
5. Steering and sailing rules

There are 3 ways to revise Colregs:

1. Revision mode: all cards are read one after the other
2. Quiz mode: the learner trains by answering questions
3. Challenge mode: allows to evaluate with the cards whose answer to the quiz has been false

Steering and sailing Rules are available at any time  
 A Statistics menu allows to evaluate the learner on each test
